THE IDEAL
SEAT INTERIOR
FOR SUPREME
COMFORT
AND A RELAXED,
LIVED-IN LOOK

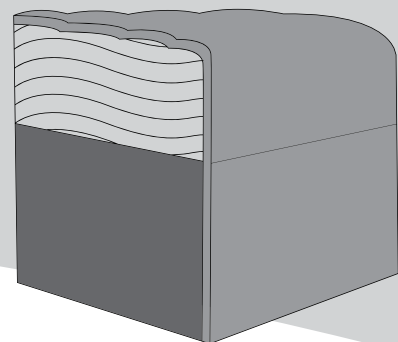

MANUFACTURER MEMBER

Extra Flex⁺

Soft, Supportive Seating

A high density foam base seat interior with a hand-rolled carded fibre, channelled topper which gives supreme comfort and a relaxed, lived-in look.

CUSHION CARE

- Rotate the position of the seat cushions wherever possible to balance out cover and interior wear.
- Plump on a regular basis to help maintain aesthetic appeal.

GENERAL CARE

- For information on maintaining your furniture please refer to the furniture care guide located under the seat platform.
