## CARE GUIDE

Fixed seats and backs offer low maintenance care. See care guide for further details.

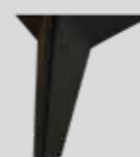

## NEW ENGLAND

New England is a high quality waxed/pull up leather. It is a beautiful natural feel material crafted from top-grain cowhide, treated through polishing, oiling and waxing to achieve a distinctive tactile finish. It showcases a vintage aesthetic with rich patterns and colours. The use of advanced wax emulsions enhances its natural appearance, providing a soft texture for sofas that combines retro charm with comfort.
